

BRING HEALTHCARE INDUSTRY EXPERTISE INTO YOUR INVESTMENT'S EQUATION

Investing in Healthcare is one of your objectives. Counting with a hands-on experienced **Operating Partner** will help your firm in:

Pre-Investment

- Prospection, screening and identification of Targets (platforms or add-ons)
- Target's data room, business model and strategy assessment
- Project's Business Plan formulation and validation

Post-investment

- Support and monitor achievement of the Business Plan targets
- Temporarily replace or reinforce key functions
- Target's Advisory / Management Board

What I will bring to your investment projects

Broad knowledge of **Pharmaceuticals** and experience in **Diagnostics** and **Consumer Healthcare**

Extended successful experience in:

- **Strategy** formulation and implementation
- Results and efficiency **improvement**
- **Change** management
- Business **growth**
- Deals **negotiation**
- Management teams' **leadership**
- **Restructuring** companies and organizations

Ten years' **international executive experience**. Focus on Spain and Portugal.

Certification in **Good Corporate Governance**

Through the brand Plan Alpha, I put at your service more than 25 years of General, Commercial and Financial Management experience at multinational pharma and healthcare corporations
